

Do you want to take part in a **new international choir** with the Göteborg Opera & Red Cross?

The choir is for people who:

- Enjoy singing with other people or want to try it (you don't need previous experience!)
- Want to make music and performances with people from different countries
- Want to work alongside professional artists
- Can take part in our rehearsals and concerts

We want to create a choir that reflects the people living in Göteborg today. So we're not just looking for 60 people, but for 60 people with different ages, languages, nationalities and backgrounds.

What kinds of songs and music are involved?

We'll sing folk songs that we've collected from people who live in Göteborg but come from all over the world. It'll be an exciting mix of musical styles and languages. We've previously sung in Arabic, Assyrian, English, Kurdish, Macedonian, Persian, Polish, Spanish and Swedish!

What will we do?

The aim is to create staged concerts, so we'll work with movement, theatre, maybe even dance and poetry. It depends partly on the choir members' own talents and interests! The project is led by two professional artists: Bo Wannefors (conductor) and Tina Glenvik (director). Together we'll make very nice staged concerts.

Where? At the Göteborg Opera, Christina Nilssons gata, 411 04 (near Nordstan)

Languages? You are welcome regardless of which languages you speak! We'll work in Swedish and English. We'll be glad to help with other languages as much as possible.
